

Neighborhood Watch Groups

The National Neighborhood Watch program empowers citizens to become active in community efforts through participation in Neighborhood Watch groups. It works to unite law enforcement agencies, private organizations, and individual citizens nationwide to reduce crime and improve local communities. The program has established Neighborhood Watch as the nation’s premier crime prevention and community mobilization program. Visual signs of the program are throughout America on street signs, window decals, community block parties, and service projects.

Florence has over 30 Neighborhood Watch groups within the community. The City of Florence Police Department encourages all residents within Florence to get involved by participating in one of the local community meetings listed below or by calling the City of Florence Police Department at **(843) 665-3191**.
