FLORENCE, SC – Following Executive Orders issued by the South Carolina Governor's Office with regard to public gatherings and social distancing, the April 13, 2020 Regular City Council meeting will be conducted via Zoom Video Conferencing. Zoom is an easy-to use, web-based video conferencing tool that allows users to meet online. To limit the number of people in City Council Chambers, City Council members will access the meeting remotely, and the meeting will be streamed and available through the City of Florence website, www.cityofflorence.com, for public viewing. Additional details will be announced next week when the meeting agenda is distributed.
