The City of Florence Codes Enforcement Division would like for you to keep the following items in mind:

1) **Trash Pickup**

- Section 9-77 – Items banned for collection purposes states that the following items will not be collected by city personnel:
 - Waste oil; Waste oil filters; lead acid batteries; Waste tires; white goods; and brown goods. Said items shall NOT be mixed with household garbage/trash, nor residential yard waste collected by the city collection personnel. The owner, tenant, lessee, or contractor should carry these items to an approved site.
 - *Brown goods are household or office furniture composed of wood or metal parts, fabric, mattresses, box springs, TV'S, computers or microwaves.*
 - *White goods include stoves, refrigerators, freezers, dish washers and all other large appliances.*
- Commercial/Landscape contractors must remove their own yard and tree trimmings, construction/demolition materials, discarded building materials and land clearing waste from their job sites to an approved disposal site.
- **If a customer has no way to properly dispose of these banned items, we would ask that you please call the Public Works Department at 843-665-3236 to discuss this matter further.**

2) **Placement of Numbers**

- Section 17-33
 - Every Commercial/Residential building MUST have premises identification NUMBERS, these numbers should be at least 4 inches in height and ½ inch wide. This is a life safety issue for police, fire and medical services.
 - These numbers should be placed on the building and be visible from the road.
