FLORENCE, SC – The City of Florence precautionary boil water advisory for the customers located off Pamplico Highway in the Pine Forest, Parkwood, and Olde Mill Subdivisions is lifted.

Following intense flushing of the distribution system, bacteriological samples were collected and analyzed by the City of Florence. The results of this sampling indicate that the system is safe to use for drinking and cooking purposes.

If you should have any questions concerning this repeal, you may call the City of Florence at (843) 665-3236 or SCDHEC (843) 661-4825.
