Randy Osterman, City Manager – 843-665-3113 or rosterman@cityofflorence.com

FLORENCE, SC – Following Resolution 2020-21 which extended the emergency term and the application of Emergency Ordinance 2020-28 during the COVID-19 pandemic, the January 11, 2021 City Council Meeting will be closed to the public and will be conducted via Zoom Video Conferencing. Only elected officials and limited city staff will be allowed to attend the meeting in-person. Zoom is an easy-to-use, web-based video conferencing tool that allows users to meet online. The meeting will also be streamed through YouTube for citizens to observe. The meeting can be accessed through the City’s website @ www.cityofflorence.com. From the home page, under the drop-down menu for “Government”, and under the heading “City Council”, click on “Web Broadcast”. There you will be able to access the live feed that is set up for the meeting. In this drop-down menu you will also see “Agendas and Minutes” where the complete meeting agenda is available for public viewing. The meeting will go live at 1:00pm on Monday, January 11th.

For public participation, citizens may submit a comment or statement for consideration regarding an agenda item formerly to ccmoore@cityofflorence.com by noon on January 11th or access the meeting through Zoom. Any citizen who wishes to appear before City Council during the January 11th meeting must contact the City Manager’s Office (843-665-3113 or ccmoore@cityofflorence.com) before noon on Monday, January 11, 2020, and provide your name, contact information and the matter on which you wish to speak. It is preferred that if a group of citizens have an issue, that a spokesperson be selected for the group.

Once you contact the City to make this request, you will in turn be provided call-in information for the meeting. When you call in, you will be held in a waiting room until recognized by Council to present at the meeting. We ask the following of citizens who wish to speak during the meeting:

- Speak clearly and deliberately
- Introduce yourself prior to sharing your concern
- Be in a quiet room or office to eliminate outside noise
- If you are streaming the meeting too, turn down the volume on the meeting when you are speaking
- Be prepared so that you can present your concern in a timely manner
- If addressed by Council, allow a few seconds prior to speaking to allow for lag time
